

**REMARKS**

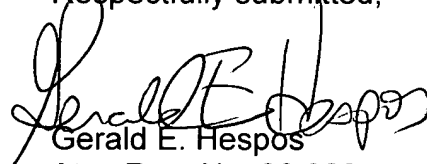

Consideration of this application, as amended, is requested.

This specification has been amended to incorporate the section headings required by the United States Patent and Trademark Office.

Claims 4-7 have been amended to eliminate the multiple dependency that had existed in those claims and to thereby avoid the U.S. government fees for applications with multiple dependent claims. New claims 8-11 have been added to achieve the coverage that was intended by the original claims.

Early and favorable action on the claims is solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Gerald E. Hespos", is written over the typed name.
